

You Are Invited to Join:

Pipe Users Group (PUG) of Northern California is a non-profit organization comprised of agencies, municipalities, consulting engineers, product suppliers, and industry related professionals. PUG's mission is "**Sharing Technologies Together**" and is dedicated to providing its members with current technical information and training opportunities to stay up to date with industry news and technology.

Members are by company/agency, not by individual. Annual dues cover any and all employees of your organization to take advantage of PUG activities and benefits.

Membership in PUG is open to agencies, consultants, contractors, vendors, and suppliers. Annual membership terms run by fiscal year, from July 1 to June 30.

Memberships are not pro-rated, although many entities joining mid-term still realize significant membership benefits given our many events and activities.

Monthly Meetings

PUG conducts monthly meetings for its members to discuss current topics, training events, and opportunities related to pipelines. Meetings include at least one technical presentation related to pipeline materials, methods, design and/or construction.

Annual Seminar in February

PUG's Annual Seminar has been a fixture in the pipeline industry for over 25 years. The seminar offers members and non-members the opportunity to learn about current pipeline related projects and professional networking.

Training in October

PUG offers a full-day training at a discounted rate for members. Past trainings have included Pipe Bursting Best Practices, Horizontal Directional Drilling Best Practices, New Installation Methods, Cured-in-Place Best Practices by North American Society of Trenchless Technologies (NASTT), ASCE Design and Installation of Buried Pipes, and Construction Law trainings from Lorman.

Industry Related Field Trips and Social Events

PUG industry related field trips and social events are give its members an opportunity to witness and observe pipe manufacturing, construction sites, or on-site demonstrations. Social events help promote camaraderie of the group outside monthly meetings. Field trips and social events are scheduled intermittently.
