Presentation Topic

McKinley Park Combined Storage Project”,
Daniel Breg, Stantec and Nina Buelna,
City of Sacramento.

The presentation will be about Planning, design and construction of the McKinley Water Vault which is an off-line combined sewage storage facility owned and operated by the City of Sacramento Dept. of Utilities. The reinforced concrete below-ground storage tank will divert and store 6 million gallons of combined sewage during wet-weather events and reduce sewer surcharging and street flooding.
